Re: LSA Document #06-514; RM #06-08

Dear Mr. Asberry:

Pursuant to IC 4-22-2-28, the Indiana Utility Regulatory Commission (“IURC”) received the comments of the Indiana Economic Development Corporation (“IEDC”) regarding the rule changes proposed by the IURC in LSA Document #06-514, amending 170 IAC 1-1.5-1.

The IURC understands that the IEDC has no objection to the economic impact associated with this proposed rule and has no suggested alternatives or changes to this proposed rule. In addition, the IEDC recognized that the proposed rule provides for communication with the IURC that could potentially save video service providers time and money in the video service franchise application process.

Thank you for your review and consideration of this matter.

Sincerely,

Beth Krogel Roads  
Assistant General Counsel
